------------	----	--

The course was in great condition on a very pleasant afternoon with a gentle breeze from the South and a slight shower for 30 mins early on.

Another year with incredibly close matches. Very little in it between the two teams, witness the results being all within a couple of shots. Indeed there were only a couple of exceptional wins (6&5) - to the Ladies?

A great atmosphere with relaxed friendly and courteous serious golf.

Well played both sides and everyone for playing.

Mutterings about the fact that it was too one sided, but only in the final result.

The games were intensely fought with little between them. The only obvious thing to do is remove the 90% and see if that moves the dial slightly. Past history indicates close games on the current format.
