2023 MATCH RESULT - WEDNESDAY LEAGUE WIN

(11 matches, 22 players each side)

Reserves:

Mike De Figueiredo	12.2
--------------------	------

Thankfully a decent day for golf after a number of very wet and extremely windy days. The course was in good condition and we witnessed both cloud and sunshine this afternoon. The gentle offshore breeze gave us all something to think about.

Another year with some incredibly close matches. Four teams were all square with another three going to the 18th hole and thankfully being won "1 up" by the men. Therefore there was very little in it between the two teams. There are always a couple of big wins and those went this year to the men as well.

The score does not reflect the closeness of the match.

It was all played in a great atmosphere with relaxed, friendly, courteous and serious golf.

Well played both sides and everyone for playing.

The games were intensely fought with little between them. Past history indicates close games on the current format.

I think the men and we hope the women would agree that we all look forward to next year's event.
