2026 MATCH RESULT - WL win

(8 matches, 16 players each side)

A beautiful, pleasant, sunny afternoon to play golf. A fairly strong breeze, at times down the course, at other times offshore. The course was in great condition but extremely dry.

Another year with 7 matches being extremely close - going to the 18th green. Only one match went clearly to the Ladies, courtesy of Elaine recieving a shot on every hole and essentially playing bogey golf. The other stand out was William Kay, who worked out that he shot 40 stabelford points. In addition, he was partnered by Dave Freeman who only the previous day had shot a 3 over gross with a 12 handicap. They lost!

Match 2 - Chris and Mike went to the last put and as is Mike fashion, it was decided on the last put. They won 1 up.

All matches were played in a great atmosphere with relaxed, friendly, courteous and serious golf.

Well played both sides and everyone for playing.

The games were intensely fought with little between them. Past history indicates close games on the current format.

Thanks to the men and we hope the women would agree that we all look forward to next year's event.

Last year the pendulum swung just in favour of the Ladies, this yuear it swung back in the Men's favour, thankfully.
