2021 MATCH RESULT - WEDNESDAY LEAGUE WIN

(12 matches, 24 players each side)

Reserves:

--	--	--

The course was in great condition on a sunny and warm therefore very pleasant afternoon with a gentle breeze from the south that then switched to the East.

Another year with incredibly close matches. Very little in it between the two teams, witness the results being all within a couple of shots. Indeed there were only a couple of exceptional wins to both sides.

A great atmosphere with relaxed friendly and courteous serious golf.

Well played both sides and everyone for playing.

The games were intensely fought with little between them. Past history indicates close games on the current format.

Interestingly, the match could easily have been drawn. The last match out on the course, it was all square on the 18th green with one put on the 18th to decide. It was only a short put but missed. Therefore, the men went 1 up. The result could easily have been 6 all.
