

## 2014 Wednesday League - End Report:

- Players:** We had 139 individuals turn out for at least 1 round (2005: 69; we've doubled the turnout).
- Rounds:** We played 835 rounds of golf (732 in 2013) with 35% playing 8 or more rounds (48 inc Juniors, 39 otherwise). With 139 members, we saw an average of 60 players every week.
- Categories:** of the 139 players, 105 were full members of RJGC, 13 were Juniors, 13 were social and we had 5 visitors and 3 guests.  
Category 1: 7 players with an average H/C of 3.6  
Category 2: 33 players with an average H/C of 9.6  
Category 3: 70 players, average H/C 16.2; and  
Category 4: 29 players, average H/C 23.8.  
The average H/C for the league at the end was 15.9
- Handicaps:** Of all of the players, 41 improved their h/c over the course of the summer, 83 sadly did not and 9 remained the same. (Only one person remained exactly the same!)  
Leaving out the Juniors, where there were some amazing h/c reductions; within Category 4, the best two improvements were Mike O'Loughlin (2.1) and Martin Hughes (1.9). Within Category 3/2; Kirby Garrod improved by 1.5 and Ian Brandon by 1.2. Well done.
- Birdies etc:** This year we had 96 Birdie 2's (90 in 2013). (One player won 6 sleeves!) There were 172 birdies and 7 eagles. Despite playing 4,175 Par 3s, there was not one hole in one (one in 2013 and 3 in 2012). In addition, there were another 490 attempts on the Texas evening to no avail.
- Matches:** The Wednesday League was triumphant this year! We won against the Ladies 6.5 / 4.5 having drawn last year. Against the Juniors, it was a reversal of last year as we won 4.5 / 2.5 (ably assisted by one Junior who turned out for the W/L and won 7&5! [thank you Harry]).
- Winners:** We had 42 members coming 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> with one player getting all three (Steve Dewhurst), one player with two 2<sup>nd</sup>s (Manny Canas) and two players getting a 2<sup>nd</sup> and 3<sup>rd</sup> (Neil Wade and Ian Brandon).  
**Individual:** Tony Burt (social member) with 27 points and for information he had an average counting round (8) stableford score of 35.375 points [astounding];  
2<sup>nd</sup> Kevin Mundy on 26 points; and  
3<sup>rd</sup> Neil Wade with 26 points on count back.  
**Team:** Kevin Mundy (social) with 34 points;  
2<sup>nd</sup> Martin Hughes on 32 points; and  
3<sup>rd</sup> Neil Wade with 32 points on count back.  
**Combined:** Kevin Mundy with 60 overall points;  
**Eclectic (net):** Chris Borny off a 27 handicap with 46, 24 shots under par with a net 0 on 15<sup>th</sup>.  
Other positions – see separate tables.
- Juniors:** Combined: Harry Smith with 46 points (11<sup>th</sup> overall); and  
Individual: Luke Sullivan with 24 points (5<sup>th</sup> overall).
- 10 years:** It is very interesting to note that we have 14 members who have turned out for the league every year for the past 10 years!
- Financial:** Estimating the amount of money that members spend on food and drinks in the bar each week, the Wednesday League contributes over £20,000 in revenue to the Royal Jersey Golf Club! There probably isn't another series of competitions or activities that do as well.
- Awards:**
- McGlynn:** Ian Brandon for having a playing lesson on the course in the morning on week 9, then winning the competition in the afternoon – foolish!
- Teeth:** Wally Fallaize – colourful and great fun.

Well done everyone and hopefully see you all again in 2015. (Tune into the website for details as and when they are available.)
